1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of the TC Water Service
I have been since it was put into service

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I think the amount of raise in rates is too much
especially for water that is not clean. It leaves a
black mold on faucets & in toilets

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No. I don't think so, but could change my mind
